

# ***GREASEGARD***

**HEAVY DUTY LIQUID DEGREASER  
HIGHLY RECOMMENDED FOR OVEN CLEANING**

## **DESCRIPTION:**

**GREASEGARD** is a heavy duty alkaline degreaser formulated to remove caramelized, baked on and cooked-on grease, oils, fats, carbon and soils from food preparation.

**GREASEGARD** is highly recommended for cleaning:

- Ovens
- Grilles
- Greasy Vents
- Stove Hoods
- Broilers
- Deep Fat Fryers

**GREASEGARD** is safe to use on cast iron, stainless steel, porcelain and glass surfaces.

**GREASEGARD** will etch aluminum and may tarnish zinc, brass and copper.

## **DIRECTION FOR USE:**

1. Spray **GREASEGARD** on the surface to be cleaned.
2. Allow **GREASEGARD** to react for 2 to 5 minutes.

3. Wipe off loosened particles with damp cloth
4. Rinse thoroughly with water.
5. For extra heavy deposit, pre-heat the surface to be cleaned to 65°C before spraying **GREASEGARD**. Allow it to react for 5 to 10 minutes before rinsing.

## **APPLICATION      DILUTION WITH WATER**

- Light Duty Cleaning            - 1:4
- Medium Duty Cleaning        - 1:2
- Heavy Duty Cleaning          - 1:1
- Extra Heavy Duty Cleaning   -no dilution

## **CAUTION:**

Contains Strong Alkali. Avoid contact with skin or eyes. Wash hands thoroughly after handling. In case of contact with skin, flush skin thoroughly with water. In case of contact with eyes, flush eyes thoroughly with water and get medical attention.
