

RUSTGARD

RUST REMOVER

DESCRIPTION:

RUSTGARD is a clear, colorless fuming liquid specially formulated to remove stubborn stains.

RUSTGARD is safe to fast colors and all fabrics. It is not advisable to use at home. It is only used by professional laundries, dry cleaners and rug cleaners.

RUSTGARD contains strongly acidic compound that is highly corrosive to skin and tissues.

DIRECTION OF USE:

Apply to rust stain using Dixie spotting bottle. Do not rub with fingers. Rinse thoroughly with water after application. Old stains may require several applications together with the use of steam.

CAUTION:

RUSTGARD contains hydrofluoric acid. It emits corrosive liquid hazardous vapors. It causes severe burns which may not be immediately painful or visible. Avoid contact with skin or eyes. Do not inhale vapor. In case of contact or suspicion of contact, flush skin with plenty of water until whiteness disappears. Pay much attention to skin under nails. For eyes, flush with plenty of water at least 15 minutes. In all cases, get medical attention. Keep away from children.

PACKAGING:

RUSTGARD is packed in a plastic container of 3.785 liters net.

FOR INDUSTRIAL USE ONLY
